

## NEW Daylight Redirecting Film

### A simple, effective way to direct natural light deeper into a building

Daylight Redirecting Films are a cost-effective way to provide natural lighting deeper inside a building.

- Micro-replicated film redirects light toward the ceiling, reducing the need for artificial lighting during the day
- Reduces occupant glare and excess light near window
- Provides benefit of natural light to interior occupants
- Can be used with different glass types to achieve different aesthetic looks
- No maintenance or cleaning
- Can be combined with 3M™ Solar Film to reduce heat to maximize energy savings
- Blocks 99% of UV light, reducing fading
- LEED credits available for use of daylight

### Product Details

- Daylight Redirecting film redirects the light toward the ceiling and the diffusing glass spreads the light on the ceiling
- 3M Daylight Redirecting film is applied to surface #2  
– or surface #4 of a three pane system
- 3M diffusing film is applied to surface #4  
– or surface #6 of a three pane system

**Technical Information:** The technical information, recommendations and other statements contained in this document are based upon tests or experience that 3M believes are reliable, but the accuracy or completeness of such information is not guaranteed.

**Product Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

**Warranty, Limited Remedy, and Disclaimer:** Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

**Limitation of Liability:** Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
